ABOUT US

Founded in 2021, Vermeer Heavy Machines and Spares Limited has grown into a trusted leader in the heavy machinery industry, serving clients across Kenya and beyond. With a dedicated team of nearly 50 professionals, we provide end-to-end solutions in machinery leasing, equipment sales, spare parts supply, and maintenance. Our expertise spans diverse industrial needs, from quarry operations and large-scale construction to transport and logistics. We pride ourselves on delivering machinery that meets the highest standards of performance, reliability, and durability. Through strong partnerships with reputable manufacturers—particularly in China—we are able to source genuine spare parts and advanced machinery tailored to each client’s operational requirements. This commitment to excellence and customer satisfaction has earned us a solid reputation locally, regionally, and internationally.
